WIN \$100

for your school when you
increase your links by 25%
by October 9, 2018

Links will be compared to total number of links the school had on October 10, 2017. If you want to know the total number of links needed for your school to receive these bonus funds, email tie@harristeeter.com. If your school can reach their LINK UP! number, they win \$100 cash. Checks will be mailed in November 2018 to all schools which reach their Link UP! number. Must have a minimum of 25 links on 10/9/18 to qualify.

Have you submitted customer information using the Mass Link option?

This tool lets you link your school supporters using our coordinator section.

Reminder – Do not keep customer information. Once you upload, discard names as this is personal information and should not be kept on file. New information should be collected yearly.

HOW MANY LINKS ARE ON YOUR ACCOUNT?

How does that compare to years prior?

If you are looking for your link count and dollars earned, that can be found on the School History page on the Together in Education coordinator site.
