

Together in Education Linking Event:

Linking Events are for Together in Education schools in North Carolina, South Carolina, and Georgia. This is an opportunity to increase your school link count by setting up a Together in Education table at an HT store in your community.

Please note: Harris Teeter reserves the right to restrict any dates where a linking event may conflict with day-to-day business.

Below are the rules for a Together in Education Linking Event:

- Limit of five linking events between August 1 – May 31
- Limit of one linking event per weekend per school
- Schools may only request HT stores within 5 miles of their school location
- Schools may set-up for a maximum of 4 hours
- Event dates will be open 6 months prior (ex: You may reserve August 1st on February 1st)
- One week-minimum advance notice required
- Request must be submitted online using the Fundraising Event Request Form which is found under the Community Tab on the Harris Teeter website
- Events must take place OUTSIDE the store and follow the 20 foot rule. Schools must stay 20 feet from the door. Store managers may ask a school to move their table if it is impeding the flow of traffic for shoppers.
- Schools may not go inside the store asking customers to link their VIC cards
- Schools are required to bring their own table, chairs and materials for events
- Events are not permitted on holiday weekends due to heavy store volume
- For linking events, schools may distribute their school code to shoppers on a slip of paper or using the TIE linking stickers
- If these rules are not being followed, store management may ask a school to leave the store property
- Harris Teeter reserves the right to deny any linking event, at any time, this may occur even after a school has received confirmation of their event
